

OHHHH BABY!

We would like to collect both a baby picture and current picture of your 8th grader to include in a slide show that will be viewed at the Graduation Dance. The baby pictures are a traditional activity enjoyed by the students every year and we want to include every 8th grader if we can! Here's what we need:

- Baby pictures can range anywhere in age from newborn to 4ish; current pics should be from anytime in this school year
- The photos **MUST** be a .jpeg file
- Please change the file names to your child's last name, followed by their first name - for example: SmithJohnbaby.jpeg and SmithJohncurrent.jpeg
- If the pictures are hard copies, take a really good picture of the photo with your cell phone or scan them yourself and email them
- If you cannot email electronic copies, you may turn in hard copies with your Permission Slip to the UMS office. Please put your child's last name/first name on the back of the pictures when you turn them in. Hard copies will be returned to the office ready to be picked up by Monday June 4th
- Please email pictures to art@ilyanne.com and put "UMS2018" in the Subject line
- It is important to follow the directions exactly and pictures must be received by **FRIDAY, APRIL 6th** or we cannot guarantee that your student's pictures will be included in the slideshow

If you have any questions please contact ilyanne Cauchy at art@ilyanne.com Thank you for your help – your graduate will love it!

Sincerely,

Your Grad Dance Committee
